**Governor Charlie Baker To Deliver Keynote Address at 2019  
RenewableUK Global Offshore Wind Conference in London, Attend  
Series of Meetings on Energy and Environment**

**BOSTON** – Tomorrow, Governor Charlie Baker will travel to London to deliver the keynote address at the 2019 RenewableUK Global Offshore Wind Conference and to attend a series of meetings with members of British Parliament to discuss clean energy, offshore wind and environmental affairs.

Following the conference, Governor Baker will meet with executives of MHI Vestas to discuss offshore wind. On Thursday, he will meet with Colin Warwick of The Fishing Liaison with Offshore Wind and Wet Renewables Group and Mark Hazelton of The Crown Estate, to discuss clean energy, fishing and offshore wind.

The Baker-Polito Administration was proud to secure the largest single procurement of offshore wind by any state in the country, supporting the Commonwealth as a national leader for the emerging offshore wind industry. Massachusetts is establishing a hub for offshore wind development on the East Coast through continued collaboration with leaders in the industry.

On Friday, Governor Baker will meet with United States Ambassador to the United Kingdom Woody Johnson to discuss current issues and Massachusetts – UK interests.

Joined by First Lady Lauren Baker, the Governor will also attend the Home Base International Thought Leader Summit on the Invisible Wounds and the 2019 Mission: Gratitude Gala, both sponsored by Home Base, a partnership of the Red Sox

Foundation and Massachusetts General Hospital leading regional and national efforts to help service members, veterans and their families heal from the Invisible Wounds: traumatic brain injury, post-traumatic stress and related conditions. Both events are organized in conjunction with Home Base's counterpart in the United Kingdom, Walking with the Wounded. Additionally, they will attend Game 1 of the Boston Red Sox vs. New York Yankees series at London Stadium.

**Wednesday, June 26, 2019**
